

Job Title: Maintenance Foreman
Closing Date: Open until filled
Agency: Canton Park District
Salary: TBD based on Experience
Schedule: Year-round; full-time position

DESCRIPTION

The Canton Park District is accepting applications for the position of Maintenance Foreman. This position must perform skilled and semi-skilled maintenance work such as general construction, electrical, plumbing, carpentry, equipment operation, concrete work and mechanic duties, and perform unskilled work such as raking leaves and grass, collecting rubbish, planting, spading, tilling, shoveling and plowing snow, mowing, custodial cleaning and trimming bushes when required.

This position shall supervise maintenance division employees as required in the absence of the Superintendent of Parks. This position may require extended periods of physical exertion and exposure to temperatures and weather extremes. Duties may include over-time hours to recertify safety conditions and to complete tasks, and must perform any related duties as may be assigned.

QUALIFICATIONS

- High school diploma or GED equivalency rating.
- Five (5) years of experience in general maintenance work, two (2) of which are supervisory level; park related work.
- Shall possess or qualified to possess a State of IL CDL and a State of IL Public Operator's Pesticide License.
